

Fusion Furniture Panels

SPECIFICATION

DURASHELL & MELAMINE PANEL APPLICATION:

Fusion furniture combines Durashell® drawer and door fronts with melamine cabinet panels. The diagrams show how each material is applied across the different furniture configurations.

DRAWER AND DOOR BACKING COLOURS:

Backing finishes vary by furniture type. This guide identifies the finish applied to the rear face of Fusion door and drawer fronts.

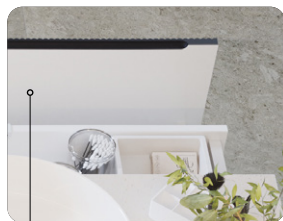

Fig 1. White Gloss backing applied to the rear face of the **drawer front**

Fig 2. Melamine backing applied to the rear face of the **door**

FUSION 50 VANITIES

All Fusion 50 drawer fronts have a **White Gloss melamine backing**, coordinating with the white interior of the drawer box.

On models with an internal drawer, the entire internal drawer box and front is supplied in White Gloss.
