

Basin range (refer to applicable basin specification)

PENELOPE

JOY

- Drawings depict cabinet only
- It is important to decide on what height you want your finished top surface from the floor, this will determine where your plumbing will be positioned.
- We suggest that you install your wall hung vanity between 830-950mm high to the finished top surface.
- Plumbing positions are for a standard trap and pop-up basin waste.
- Cabinet shelves are at fixed locations.
